# AMERICAN JOURNAL OF CLINICAL BIOFEEDBACK
## Index to Volume 7

Beaton, Randal, Kelly Egan, and Pamela Mitchell. Frontalis and Trapezius Electromyographic Activity in Health Nonpatients and in Clinical Headache Samples 3

Beaton, Randall. *See* Egan, Kelly J.

Bedford, Stewart and Audi Van Ornum. Prayer, Biofeedback, and Stress Management 167

Berstein, Jeffrey. *See* Solomon, Gary S.

Carlton, Richard M. *See* Fried, Robert

Chansky, Norman M. Antihypertensive Medications: Psychophysiological Implications 150

Charlesworth, Edward A. and Rick Harrington. Autogenic Training and Biofeedback-Assisted Hand-Warming in the Treatment of Buerger's Disease: A Case Study 107

Cross, Herbert. *See* Yglesias, Patricia

DeGood, Douglas E. and Ellyn Mohr. Retrospective Analysis of Medication Effects on Biofeedback Self-Regulation 99

Egan, Kelly J., Randall Beaton, and Pamela Mitchell. Autonomic Indicators in Healthy Nonpatients and in Clinical Headache Samples 31

Egan, Kelly. *See* Beaton, Randal

Elder, S. Thomas. *See* Lashley, Joyce K.

Estrada, Norma, Harold G. Kelso, and Arthur E. Giadman. Integrating Biofeedback Training Within a Multimodal Treatment Model for Attention Deficit Disorder 22

Finley, William W. *See* Rainwater, Avie James III

Folks, David G. *See* Solomon, Gary S.

Fried, Robert, Sherry R. Rubin, and Richard M. Carlton. Diaphragmatic Respiration Training with End-Tidal Percent Cabon Dioxide Biofeedback of Hyperventilation in Idiopathic Siezure Sufferers: I. Effect on the EEG 13

Gladman, Arthur E. *See* Estrada, Norma

Goebel, Maristella. Notes on Judgement of Clinical Effectiveness Based on Short-Term Research 74

Harm, Deborah L., Joyce Segreto-Bures, and Harry Kotses. Effects of Instructions and Feedback in Noncontingent Control Procedures 137

*American Journal of Clinical Biofeedback, Vol. 7(2), Fall/Winter, 1984*
